Reply of Government.—This cannot be done at present.

SUBJECT No. 404.

A channel from the Yagachi river.

Mr. Dasappa, Arsikere Taluk.

Summary of discussion.—A channel may be opened from the Yagachi river near Belur to take water to the tanks of Harnahalli, Arsikere, Timmappanaikankere, Ranganakere and Kuruvanka, etc.

Reply of Government.—This cannot be done as the project is roughly estimated to cost about five crores.

SUBJECT No. 405.

Sri Venkataramanaswami temple at Tirupati.

Mr. Dasappa, Arsikere Taluk.

Summary of discussion.—The funds accruing from time to time to the Malekal Tirupati temple may be invested in Government Securities.

Reply of Government.—This will be done.

SUBJECT No. 406.

Road from Arsikere to Javagal *via* Chikkoor.

Mr. Kencharaya Setti, Arsikere Taluk.

Summary of discussion.—A road from Arsikere to Javagal *via* Chikkoor as formerly surveyed may be opened. The road will be a convenience to travellers of the Belur Taluk, etc.

Reply of Government.—This will be referred to the District Board.

SUBJECT No. 407.

Construction of culverts on the Arsikere-Huliyar road.

Mr. Kencharaya Setti, Arsikere Taluk.

Summary of discussion.—Much inconvenience is felt by people owing to want of culverts on the Arsikere-Huliyar road. The work may be undertaken out of Provincial Funds as the District Board is unable to do the work for want of funds.

Reply of Government.—Noted.

SUBJECT No. 408.

Water-supply to Arsikere Town.

Mr. M. Chowdaiya, Arsikere Taluk.

Summary of discussion.—The water-supply project to the Arsikere Town is not yet sanctioned though repeatedly prayed for. An estimate was prepared for sinking a well behind the tank bund. Early sanction is prayed for.

Reply of Government.—The Chief Engineer's proposal to construct tube-wells in the town instead of a big tank is being considered. The Deputy Commissioner will be asked to try the experiment.

SUBJECT No. 409.

A well at Channarayapatna.

Messrs. G. Tirunarnaiengar, Venkataramaiya and Padmarajaiya, Channarayapatna Taluk.

Summary of discussion.—Scarcity for drinking water is often felt at Channarayapatna. A big well may be sunk with four pulleys so as to afford sufficient water-supply to all the towns-people and to people who collect at the weekly market. The Taluk and District Boards have deferred the work owing to want of funds. The work may therefore be done out of Provincial Funds.

Reply of Government.—Instructions will be issued for trying a tube-well there.

SUBJECT No. 410.

A separate road from Hole-Narsipur to Channarayapatna.

Messrs. G. Subba Rao and A. Venkatachar, Hole-Narsipur Taluk.

Summary of discussion.—As people have to cross the Hemavati near Gunni, it is very inconvenient to travel from Hole-Narsipur to Channarayapatna on the existing road. Estimates were prepared three years back to open
